Congressman Joseph Morelle
3120 Federal Building
100 State Street
Rochester, NY 14614

Dear Representative Morelle,

We are aware of Baden Street Settlement's plan to request funding through Representative Morelle's Community Impact Fund to support its efforts to support the Northeast Rochester Community.

Please allow me to voice my enthusiastic support of Baden Street Settlement of Rochester, and that organization's effort to support and enrich the lives of the citizens of its Community.

Baden Street Settlement is one of our City's longest-standing organizations, founded in 1901. It is celebrating its 120th Anniversary this year. Baden Street Settlement responds to Northeast Rochester's community needs through the efforts of a wide array of departments and programs for families and individuals of all ages. The Settlement provides an accessible resource within the "Crescent" of Rochester, reaching families and individuals in high poverty.

Thank you for your time in considering their request for support.

Sincerely,

Demond L. Meeks
