Dear Representative Morelle,

It is my pleasure to provide this letter of support for Baden Street Settlement as it seeks funding through your Community Impact Fund, to support its efforts to aid the revitalization of the Northeast Rochester community.

Please allow me to voice my enthusiastic support of Baden Street Settlement of Rochester, and the organization's effort to support and enrich the lives of the citizens of our community.

Baden Street Settlement is one of our City's longest-standing organizations; founded in 1901, the Baden Street Settlement is celebrating its 120th Anniversary of service to the community this year.

Baden Street Settlement responds to Northeast Rochester's community needs through the efforts of a wide array of departments and programs for families and individuals of all ages.

The Baden Street Settlement provides an accessible resource within the "Crescent" of Rochester, reaching families and individuals in high poverty. We hope you will support the work of the Baden Street Settlement, by approving their application request for funding.

If you require additional information, please contact me at (585) 428-7045. Thank you for your time in considering Baden Street Settlement's request for support.

Sincerely,

A handwritten signature in blue ink that reads "Lovely A. Warren".

Lovely A. Warren  
Mayor, City of Rochester
