

Happy Holidays,

As the joyful Holiday season approaches, let's take a moment to think of those who might be facing challenges. I'm excited to share that our Emergency and Family Assistance Department has launched its Annual Holiday Project! This wonderful initiative provides delicious holiday meals, delightful toys, and gift cards to children under 12 in zip codes 14604, 14605, 14609, and 14621.

Our ambitious goal is to raise \$25,000 by December 21, 2026, and I truly believe we can achieve it together!

Your support can make a profound difference for families during this special time of year. Please consider sharing this message with your friends, family, and colleagues. Let's unite to spread joy and warmth this holiday season!

Remember, every contribution counts; no matter the size, your generosity can help create a positive impact. Together, let's embrace the spirit of giving and make this holiday season unforgettable for those in need!

You can also make donations online at: <https://badenstreet.org>. Please direct your contribution to the 2026 Holiday Project.

Warmly,

Dolores Rodriguez

Director of Emergency & Family Assistance Department
